

2005 MUSTANG 'L' SIDE STRIPE

FOR MODELS WITHOUT FENDER EMBLEMS
WORKS WITH HOOD KITS #K195-S6, K112-S6, K138-S6

Dear Customer, This sheet is additional instructions and helpful information for the 2005 Mustang Boss side Stripe: #K142 ONLY. Please read all instructions also supplied with this kit.

The 'L' style Stripe has 8 pieces. This kit is designed for the V6 Mustang without fender emblems.

After removing all the wax and silicones from the vehicle identify all sections and tape them to the correct locations with the correct alignment on the vehicle. Begin installing the fender sections first. The door stripes should follow the body lines of the car.

◀ Squeegee carefully making sure the stripe overlaps the door seam. You will wrap the stripe in the seem to finish it.

Install the remaining stripes making sure of proper alignment.
